

Bloomin' Raspberry

Get started with a Fizz Cocktail:

Bloom Gin, Chambord Liqueur topped with Prosecco and Crushed Raspberries

Earl Grey's Secret

Of course, no Cocktail Evening would be complete without a Martini.

This one is a little different:

Gin, Earl Grey Tea, Lemon Juice, Syrup & Egg white

Paddington's Whoops-a-Daisy

Aunt Lucy would not be amused!

Marmalade Vodka with a hint of Cointreau and a dash of Angostura bitters all served in a tall glass with Ice and Blood Orange

The Bomphire

An irresistible mix of Fresh Kiwi & Mint

balanced with Lime Juice & Bombay Sapphire Gin.... At least it looks healthy!

Birthday Wish

A special creation using Tequila, Lemon, Sweet Vermouth, Sauvignon Blanc and a tickle of Absinthe.... You may forget it's your Birthday

Petite Liqueurelle (Pre-Dessert)

Moet & Chandon's update of the 70's favourite "Brandy & Baby Cham". Sadly, no longer available but recreated for you here:
